Lucknow,
Dated: 20-4-1978

Subject: Regarding No Objection Certificate to
Bethany Convent School, Naini, Allahabad.

Sir,

I have been directed to inform you that the State Government through its letter No. 2/8(9)/76- Edu. (3), dated March 25, 1977 had granted no objection certificate to Bethany Convent School, Naini, Allahabad for its affiliation to the Central Board of Higher Secondary Education, Delhi for the Academic Year 1976-77 and 1977-78. From time to time, the said Institution requested the Government to grant it a no objection certificate for its permanent affiliation. After careful investigations on the said request of the Institution, the government has decided to grant them permanent no objection certificate and the institution will have to follow the following conditions:

1. There must be an educational officer of the state government education department in the managing committee of the institution.
2. The institution will have to follow the directions given to it from time to time by the state government education department.
3. The pay scales and other benefits of the teaching and non-teaching employees of the institution should be more or in keeping with those of government aided institutions.
4. The institution will not be given any type of grant by the state government.

Principal
Bethany Convent School
Naini, Allahabad
